Overview: Women's mental health

- [Snapshot of Australian women's mental health](#)
Women's Mental Health Alliance, 2021
Shows that Australian women generally experience poorer mental health than men, and that other forms of inequality and discrimination intersect with gender to influence the mental health of different groups of women.
- [Victorian Population Health Survey 2020 Dashboards](#)
Victoria. Department of Health, 2021
 - Time Series'* button - view statewide data by sex
 - Estimates by LGA* button – view data by LGA (not split by sex)
 - Level of psychological distress
 - Anxiety or depression (ever diagnosed)
 - Life satisfaction
 - Feeling of trust
 - Feelings of being valued by society
- [Mental health policy brief: 2019](#)
Australian Longitudinal Study on Women's Health (ALSWH), 2019

- [First insights from the National Study of Mental Health and Wellbeing, 2020-21](#)
Australian Bureau of Statistics, 2021
- [Mental health services in Australia](#)
Australian Bureau of Statistics, 2022
- [Major report 2013: Mental health](#)
Australian Longitudinal Study on Women's Health (ALSWH), 2013
This report uses data from the cohorts born 1973-78, 1946-51 and 1921-26 of the ALSWH to explore patterns of mental health among Australian women as well as their use of mental health services. It includes analyses of factors associated with poor mental health as well as specific areas such as perinatal mental health, interpersonal relationships and mental health, and comorbidity of physical and mental health.

Body image and women

- [Insights into Body Esteem: a survey of Australians' experience of body image and its impact on day to day life](#)
Butterfly Foundation, 2020
- [Community Insights Research](#)
Butterfly foundation, 2021
Research exploring the knowledge and attitudes of the community around body image issues and eating disorders

Eating behaviours in women

- [Key research and statistics](#)
Eating Disorders Victoria, ongoing
- [Maydays 2020 Survey Report: Barriers to accessing eating disorder support](#)
Butterfly Foundation, 2020

- [Challenges on the journey to parenthood \[Report\]](#)
Centre Of Perinatal Excellence (COPE), 2022
- [How rate of perinatal mental health screening in Australia have changed over time and which women are missing out](#)
Australian and New Zealand Journal of Public Health, 2020

Self-harm and suicide in women

- [Suicide and self-harm monitoring](#)
Australian Bureau of Statistics, 2022
- [Self-injury among adolescents](#)
Longitudinal Study of Australia's Children, 2021
- [Suicide by age and sex, Australia \[Excel download\]](#)
Gender Statistics (Social Statistics)
Historical tables from 1881 to 2018.

Aboriginal and Torres Strait Islander women: mental health

- [Walkern Katatdjin \(Rainbow Knowledge\) Phase 1 Community Report](#)
Telethon Kids Institute and Kulbardi, Murdoch University, 2021.
A national research project that aims to understand and promote the mental health and wellbeing of Aboriginal and/or Torres Strait LGBTIQ+ young people, and to work with services to develop appropriate interventions
- [Wiyi Yani U Thangani \(Women's Voices\): Securing Our Rights, Securing Our Future Report](#)
Australian Human Rights Commission, 2020.
[Chapter 13](#): Social and emotional wellbeing, pp. 413-448.
- [National Strategic Framework for Aboriginal and Torres Strait Islander Peoples' Mental Health and Social and Emotional Wellbeing 2017-2023](#)
National Indigenous Australians Agency, 2017

LGBTIQ+ communities: mental health

- [Private Lives 3: a national survey of the health and wellbeing of LGBTIQ people in Australia](#)
Australian Research Centre in Sex, Health and Society. La Trobe University, 2020
- [Snapshot of mental health and suicide prevention statistics for LGBTIQ+ people](#)
LGBTIQ+ Health Australia, 2021
- [Health service use by same-sex attracted Australian women for alcohol and mental health issues: a cross-sectional study](#)
BJGP Open, 2018
- [Bisexual mental health: Findings from the 'Who I Am' study](#)
Australian Journal of General Practice, 2019
- [Trans Pathways: the mental health experiences and care pathways of trans young people](#)
Telethon Kids Institute, 2017
- [Associations between negative life experiences and the mental health of trans and gender diverse young people in Australia: findings from Trans Pathways](#)
Psychological Medicine, 2019

- [Mental health issues and complex experiences of abuse among Trans and Gender Diverse young people: findings from Trans Pathways](#)
LGBT Health, 2020
- [UnLEASH Study](#) [In Progress]
National Drug and Alcohol Research Centre, UNSW Sydney, 2022
A study exploring lesbian, bisexual and queer women's (cisgender and transgender) health and wellbeing and the relationship with smoking, drinking and using drugs.

Migrant and refugee women: mental health

- [Migrant and refugee women's mental health in Australia: a literature review 2020](#)
Multicultural Centre for Women's Health (MCWH), 2020
- [Dealing with it myself: supporting immigrant and refugee carers in Australia](#)
Multicultural Centre for Women's Health, 2017
- [Unpacking The Determinants: Migrant and Refugee Women's Mental Health](#)
Women's Health in the North, 2022
