WHV WORKPLACE TRAINING AND SUPPORT

Tailored Training Options

Beyond public training sessions, we offer training for workplaces. We understand that the needs of different organisations or staff can vary. Our team can work with you to customise training.

In our tailored training we can:

- Customise training for your specific needs
- Raise awareness and educate
- Equip individuals and workplaces with the tools to implement real, meaningful change in their specific context.

Consultancy

Our consultancy services help organisations move towards a more gender-equitable future.

- Foster gender equity in organisations
- Provide inclusive policies and programs.
- Collaborate with a diverse range of organisations
- Expertise in implementing effective gender-equitable workplace practices.
- Gender equity audits
